CAREER OBJECTIVE

MCA graduate with academic and practice-based project experience in web development and IoT, along with ongoing practice in graphic design. Seeking an entry-level or trainee role where I can apply technical knowledge, creativity, and problem-solving skills while continuously learning and contributing to real-world projects.

TECHNICAL SKILLS

Web Development

- HTML, CSS
- JavaScript (Basic)
- PHP (Basic)
- MySQL (Basic)

Internet of Things (IoT)

- Arduino UNO R3
- IR Sensors
- 16×2 LCD Display with I2C
- Basic hardware integration and real-time data display

Graphic Design

- Canva
- Social Media Post Design
- Thumbnail Design
- Creative visual layouts (Practice Level)

Digital Marketing

- Beginner-level understanding of digital marketing concepts
- Currently learning social media marketing fundamentals

AI Tools

- ChatGPT (Basic) – used for learning, content ideas, and design assistance

SOFT SKILLS

- Communication Skills
- Creative Thinking
- Problem Solving
- Quick Learner
- Team Collaboration

PROJECTS

Online Movie Ticket Booking System (College Project)

Technologies: HTML, CSS, PHP, MySQL

- Developed a web-based movie ticket booking application
- Users can browse movies, check show timings and available slots
- Implemented seat selection and booking functionality
- Used MySQL database to store user and booking details

Car Speed Detector (IoT – Group Project)

Hardware: Arduino UNO R3, IR Sensors, 16×2 LCD with I2C module

- Designed an IoT-based system to detect vehicle speed
- Calculated speed using time difference between IR sensors
- Displayed real-time speed output on LCD screen
- Worked collaboratively in a group for hardware integration

Guess the Word Game (Fun Project)

Technologies: HTML, CSS, JavaScript

- Developed a word-guessing game inspired by Wordle
- Allowed users up to five attempts to guess the correct word
- Implemented colour-based feedback logic:
 - Green for correct letter in correct position
 - Yellow for correct letter in wrong position
 - Black for letter not present in the word

EDUCATION

Master of Computer Applications (MCA)

LJ University

Pass Year: **2026**

Bachelor of Computer Applications (BCA)

Bholabhai Patel College of Computer Studies

KSV University

Pass Year: **2022**

DECLARATION

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief. I understand that any false or misleading information may lead to disqualification of my candidature.
